## Finger Printing - Teachers Guide

#### **Resources**

- PowerPoint
- Finger printing workcard
- Ink pads
- Jotters/record sheet
- Assessment sheet
- Finger print match

#### Activities

- **Demonstration** of how to take finger prints.
  - Emphasise to pupils not to press too hard on ink/paper but to gently roll their finger.

#### - Practical

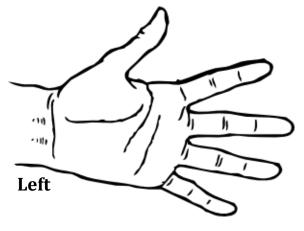

- o Pupils to take print of each of their fingers
- o Pupils can use finger print workcard to determine their finger print patterns
- Loops are found in 65% of the population, whorls are found in 35% and arches found in only 5% of the population.
- Gather class data: what is the most common finger print pattern?
  - present as graph (homework)
- Finger Print Match
  - Resource: Finger Print Match (correct answer is Suspect H)
  - Think.Pair.Share: get each pupil to decide upon their own answer, get pupils to share their answer with a partner and explain why they have chosen the suspect, get a few pairs to feed back to class.
    - Consensus? Discuss any differences
    - How reliable is finger printing as a forensic technique?
- Game:
  - o <a href="http://www.trutv.com/shows/forensic\_files/games/fingerprint/index.html">http://www.trutv.com/shows/forensic\_files/games/fingerprint/index.html</a>
- 'Who dunnit?' identification of criminal by finger prints
  - o <a href="http://www.pbs.org/wgbh/amex/dillinger/sfeature/sf">http://www.pbs.org/wgbh/amex/dillinger/sfeature/sf</a> whodunit.html#

#### Assessment:

- Assessment sheet; identification of finger print patterns

## Finger Printing

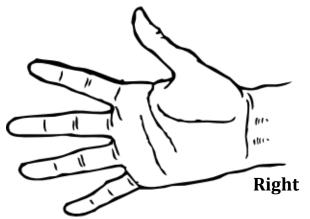

Thumb

Index finger

Middle finger (

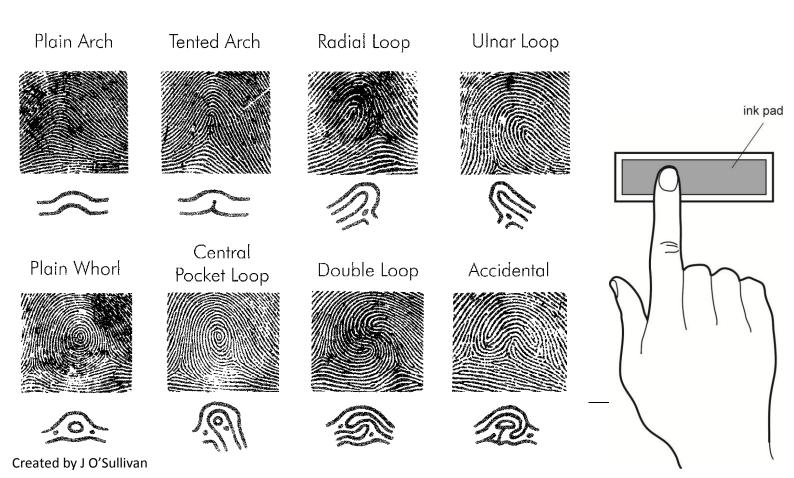

Ring finger

Little finger

### **Method**

- 1. Gently roll your finger on the ink pad
- 2. Gently roll your finger onto the appropriate section of your worksheet
- 3. Use the images below to identify your finger print patterns

# Finger Printing

| Why can finger prints be used as evidence in solving a crime? |  |  |  |  |  |
|---|--|--|--|--|--|
|   |  |  |  |  |  |
| Do you think each of your finger prints are the same?         |  |  |  |  |  |

Right Hand

| Finger  | Thumb | Index | Middle | Ring | Little |
|---------|-------|-------|--------|------|--------|
| Print   |       |       |        |      |        |
| Pattern |       |       |        |      |        |

## <u>Left Hand</u>

| Finger  | Thumb | Index | Middle | Ring | Little |
|---------|-------|-------|--------|------|--------|
| Print   |       |       |        |      |        |
| Pattern |       |       |        |      |        |

Identify the fingerprint types below:
