

Owl Babies Food Chain

Photocopy on to card and colour. Cut out the owl, mouse and acorn. Paste the acorn in the mouse's tummy, and the mouse in the owl's tummy.

OR cut out ovals inside owl and mouse and attach as mobile shown below right.

The Sea: What Do Big Fish Eat? Mobile*

Colour the shark, fish and seaweed. Cut out the shark and fish and their ovals, and the seaweed in its oval. Attach each piece with thread as shown.

OR cut and paste the seaweed in the small fish and the small fish in the shark for a simpler activity.
